

PERFORM AT THE HAVANA INTERNATIONAL CHORAL FESTIVAL

JULY 2016

If you have a choir or vocal ensemble that would like to perform at the Havana International Choral Festival then we can help make this happen for you.

The Havana International Choral Festival is a prestigious event held every year in late June early July in Havana. The festival has choirs from all over the world as well as many from within Cuba. An intensive

programme of concerts in theatres, schools, churches and public squares as well as master classes and workshops make this a must do for any choir looking for a unique performing experience. The festival culminates in a concert where all participants will celebrate and perform together as a massed choir

Each afternoon there will be performances by different choral groups in important historical sites and cathedrals in Havana, there will be workshops and cultural exchanges throughout the festival. This is a great opportunity to meet fellow performers from Cuba and all over the world. Apart from the interaction and cultural immersion you will experience, you will find that Cubans are a very appreciative and knowledgeable audience.

If you would like your choir to attend and perform at the festival you will have to submit an audition video as well as a biography. If you are accepted then we can arrange all your accommodation, meals and travel. We also offer a tour for your choir so as you can take in so much more of this amazing island.

Please contact us for more information on how you can make this incredible experience a reality for your group.
